

Lots of people

are getting

ill

from the

coronavirus.

I

need

to

help

people

stay

safe.

This is the

right

thing to do.

To keep everyone

safe

things might be

different.

There might be a

Lockdown.

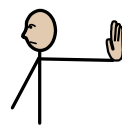

Lockdown

means

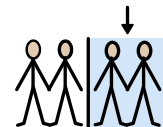

I

stay away

from

other people.

School will be

closed

and

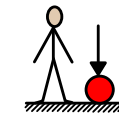

I

will

have to

stay at

home.

I

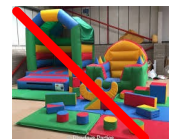

will not be able to go to

my

favourite

places
