

Lots of people are feeling ill from the coronavirus.

I need to help keep people safe.

I can help by not going to school and staying at home.

This means that my timetable will be different.

I can do school work at home.

The adults don't know when I can go back to school.

I might miss my friends and teachers. I might feel sad or bored. This is OK

I will listen to my family. I will try and be brave.

This is the right thing to do. My family and teachers will be proud of me.
