

The coronavirus is an illness. The coronavirus can go from person to person.

Lots of people need to stay at home. This will help keep people safe.

I can go to school. School will be different next week.

A lot of my friends and teachers will not be in school and the timetable will be different.

The teachers at school will look after me.

We will do fun things at school.

The adults don't know when all my friends and teachers can come back to school.

I might feel sad or worried. This is OK.

I will listen to my family and teachers. I will try and be brave.

This is the right thing to do. My family and teachers will be proud of me.
