

## Waltham Forest Parent Forum

We are a friendly, voluntary group of parents and carers of disabled children and young people aged from 0 to 25 in the London Borough of Waltham Forest. Our aim is to provide feedback on the development and direction of services for disabled children and young people in the borough to key policy makers and to support families through sharing experiences and building networks.

If you are a parent or carer of a disabled child or young person aged 0 to 25 and want better services for them?
