

Message from the Headteacher:

Hi All

Our learners have been immersed in our topic of "on the beach" and have been involved in developing their understanding and experiences of the sea. The hall has been developed to create an exciting landscape based on our theme.

I am excited about the outdoor development in the summer holidays including the development of the farm. We also have a sensory garden, a poly

tunnel, raised planting beds to develop the horticulture aspect of the curriculum.

If you have not had the opportunity to look at the curriculum at LAH, please click on the link.

Have a nice weekend.

Kind Regards,

Ben Hawes

To finish creating your account you just need to set a password. Your username is your email address.

If you have any queries, please contact the school office.

School Calendar

5 July Parents Evening

22 July Last Day of Term

Penalty Notice

We will be sending parent/carers a penalty notice (fine) if:

- Your child's attendance falls below 90 per cent in a term period without a good reason.
- You take your child out of school during term time (for holidays for example) without agreeing the leave with the school.

The full penalty of £120 per parent per child is imposed but is reduced to £60 if paid within 21 days of receipt of the notice. Failure to meet the payment within 28 days could result in the matter being referred to the Magistrates court in accordance with Section 444 of the Education Act 1996.

Kind Regards

Katrina Muir

Parental Engagement

Dear Parents/Carers,

I look forward to meeting you. My name is Hanin and I am the Speech and Language Therapist that will be starting to work at Hornbeam. I am currently transitioning to my role and will start full time from September. I wanted to invite you to attend this meet and greet on Microsoft Teams:

Monday, 20th June at 11.30 am - 12.15 pm

Learning @ BFH – Bronze Class

Bronze class have been doing lots of fantastic work and we have been decorating the silhouette pictures of the Queen for the Jubilee celebrations. This week we have been working hard in creative arts,

decorating the kites to celebrate our new topic, "On the Beach". Learners in Bronze Class continue to

develop their independence and life skills during our PSHE sessions, ensuring we are preparing for our next steps into adulthood.

Forest Schools Experience

This week we needed to move our Forest Schools Experience to the school premises. Students from Pearson Class have shown great following instructions and coped with the change very well. – Well done! That's preparation for adulthood!

First, the students went to the playground to collect leaves and branches. Everyone was provided with the number of items to collect. It was also time to communicate with one another and enjoy the sun and the nature. Then, the activity was moved to the

classroom environment, where the students initially practiced their ordering, comparing and measuring skills. Then, they moved on to forming fractions and equivalent fractions using the nature resources. Pearson class had a lot of fun during the session.

Excellent job!
