

Message from the Headteacher:

Hi All,

Although we are coming to the end of the academic year, we have all been busy preparing for September. Transitions of new students into school has begun and transitions of students that are leaving us is now in full swing.

We have many exciting things happening in the last few weeks. Our Art exhibition was a huge success and I am really looking forward to Sports Day!

We also have our Prom for the leavers next week, although this will be an emotional experience, it will also be a chance to celebrate the amazing achievements of our young people as they prepare for the next stage in their lives.

Kind Regards,

Ben Hawes

Arbor Parent Portal – Parents Evening – Tues 5th July 2022

The booking system is now live on Arbor for you to book your 10 minutes slot with your child's class teacher.

Just log in to your Parent Portal/Arbor App account, go to Guardian Consultations section, select **Parents Evening - Summer Term - 5 July 2022** and choose your slot.

Alternatively, you can call the school office for support in booking your slot.

We hope to see all of you soon.

Kind regards,

Edith Windsor-Stokes (She/Her/Hers)

Lead Practitioner

Penalty Notice

We will be sending parent/carers a penalty notice (fine) if:

- Your child's attendance falls below 90 per cent in a term period without a good reason.
- You take your child out of school during term time (for holidays for example) without agreeing the leave with the school.

The full penalty of £120 per parent per child is imposed but is reduced to £60 if paid within 21 days of receipt of the notice. Failure to meet the payment within 28 days could result in the matter being referred to the Magistrates court in accordance with Section 444 of the Education Act 1996.

Kind Regards

Katrina Muir

Privacy Notice: Lime Trust takes the privacy of pupils/parents data very seriously, therefore we would just like to remind parents that you can view/read our privacy notices on the [Trust](#) website.

Learning @ BFH – Lilac Class

We have had a busy and enriching summer term in Lilac Class. In Literacy, we have enjoyed exploring the sensory story Chu's Day at the Beach. This fantastic

story has allowed the learners to explore all five senses, with sand, salt water, a sheet for "wind," feathers, and torches and sunglasses, to represent a

sunny day. In Numeracy, we have explored the concept of long and short using different coloured play dough. The children have enjoyed squishing and splatting the play dough! We have also been exploring rainbows in numeracy and in art. This focuses on naming the different colours, as well as celebrating colour. Lilac class has worked hard to make a beach in correspondence with our theme, At the Beach; they particularly enjoyed making their sandy crabs!

We are so proud of our accomplishments this term, especially the great effort we put into developing positive relationships with each other and in communicating our needs. Have a fantastic summer from Lilac Class!

Learning @ WM – Stormzy Class

This week Stormzy class attended Alexandra Palace. During our time at Alexandra Palace, learners enjoyed a tour around the palace and learnt the history of it. After our tour learners took a little trip around the lake on the pedaling boats. They really enjoyed selecting their boats and pedaling around the lake. After our 30 minutes ride learners had their lunch as a class, enjoyed the view and made our way back to school.

On Friday 24th classes 13W, 16W, 17W and 18W

attended Barbican for an Oska Bright Film Festival 2022: Emerging Talent Screening. This was an opportunity to discover the work of young filmmakers from the world's leading learning disability film festival, curated by the Young Oska Bright team, featuring a rich diversity of

talent. Learners really enjoyed their time watching the young talents.

Every Wednesday 13W and most of 16W attends the gym as part of their Duke of Edinburgh award. During their time at the gym learners do warm up activities, followed by using a variety of gym equipment. Learners have been doing really well each week by following all rules and a routine at the gym. The group enjoys their sessions at the gym and have become very familiar with the equipment and feel confident to use them.

JackPetchey Foundation

Inspire • Motivate • Achieve

Wednesday, 29th June 2022 was a voting day for the Jack Petchey Achievement Awards at William Morris Campus. Prior to this day, the learners voted for the

nominees from their classes. The whole final voting stage was run by the students from Pearson class.

The students prepared the voting box and designed the voting cards. Then, they went to the classes and collected the votes. The learners also showed their organizational and mathematical skills when counting the votes. Well done to all the winners and the Pearson class students for organizing this event.
