

## Message from the Headteacher:

Hi All,

I hope all parents that came in for parents evening enjoyed the experience. It was great to see everyone.

We also had our leavers prom at William Morris. The learners really enjoyed themselves and was great to see everyone dancing and interacting positively. It was fun but emotional to see our learners develop into young adults.

Please enjoy the weather sensibly this weekend.

Kind Regards,

Ben Hawes

## Transition Visits @ WM

On Wednesday 6<sup>th</sup> July 2022 we had our new year seven students visit William Morris as part of the transition process.

All our new pupils had a chance to meet key staff and have a tour around the school.

We are looking forward to welcoming them all in September

Sean

## Penalty Notice

We will be sending parent/carers a penalty notice (fine) if:

- Your child's attendance falls below 90 per cent in a term period without a good reason.
- You take your child out of school during term time (for holidays for example) without agreeing the leave with the school.

The full penalty of £120 per parent per child is imposed but is reduced to £60 if paid within 21 days of receipt of the notice. Failure to meet the payment within 28 days could result in the matter being referred to the Magistrates court in accordance with Section 444 of the Education Act 1996.

Kind Regards

Katrina Muir

## Learning @ BFH – Purple Class

We have had a great term in Purple class. Our topic has been 'At the Beach' and the learners have been having great fun. We have particularly enjoyed 'Chu's day at the beach', which is a sensory story we have been reading together. The learners have been very engaged with this story and have loved all the different characters like the ice cream octopus.

They have also created some fantastic pieces of artwork for our beach display such as kites and jellyfish using different methods such as printing, painting and collaging. These have all combined to make our display very colourful and creative.

We have also had a great time during drama and history this term reading a story about pirates. The learners have really enjoyed dressing like a pirate in drama and practising their 'ARGGH'.

## Learning @ WM – Darwin Class

In the Cooking lesson this week, 14W class has learnt

how to prepare pizza from scratch. Each learner had the opportunity to make the dough, roll it out, top it

and bake it. All our learners enjoyed this great experience as they all love pizza.

## Art Fair & Exhibition @ WM

Last Friday, the Art Fair / Exhibition was held at the William Morris Campus. All school students, staff and many parents and careers participated. At the event there was also a coffee morning with many sweets and drinks. The money raised during the sale of the art works prepared by all students since the beginning of the academic year, and the refreshments will be donated to the Great Ormond Street Hospital for Children. The event was a moment of joy and interaction between all the participants, and a way to valuing the effort, skill, and the voice of our students.
