

## Message from the Headteacher:

Hi All

Welcome to the last newsletter of this academic year. What a year it has been!

I would like to take this opportunity to thank you all for your continued support of Lime Academy Hornbeam as we work together to prepare all our young people for adulthood.

The highlight this week was sports day. What a fantastic day for both sites! Learners engaging in competition, developing their physical skills and it was great to see parents at BFH join in the activities!

As you may be aware, we have a predicted heatwave next week in which temperatures are going to rise significantly. Please ensure your young person wears cool clothing such as shorts/t-shirts/summer dresses with sensible shoes. The school has air conditioning in most of the rooms that will be on during the day and learners will have limited access to the outdoor area.

Once again, thank you for all your continued support and I look forward to seeing you all again in September.

Have a wonderful summer break and be safe.

Kind Regards,

Ben Hawes

## PTA – News

We are really looking forward to getting the PTA back up and running over the next academic year.

We hope to hold a meeting at the beginning of the term and will be looking for people to take up key roles such as co-chair, treasurer and secretary as well as plenty of volunteers to make events happen!

We can't wait to meet up with old PTA friends and welcome new parents and carers in the new term.

## School Calendar

**22 July** Last Day of Term

**1 September** INSET Day (School closed)

**2 September** INSET Day (School closed)

**5 September** Students Return To School

## Parental Engagement

Social Prescribing offers a great supportive health network for Adult Residents in Waltham Forest. Please see attached leaflet.

Sharon and Barbara plan to meet our parents/carers at some point in the next academic year.

Many thanks,

Edith Windsor-Stokes

Lead Practitioner

## Penalty Notice

We will be sending parent/carers a penalty notice (fine) if:

- Your child's attendance falls below 90 per cent in a term period without a good reason.
- You take your child out of school during term time (for holidays for example) without agreeing the leave with the school.

The full penalty of £120 per parent per child is imposed but is reduced to £60 if paid within 21 days of receipt of the notice. Failure to meet the payment within 28 days could result in the matter being referred to the Magistrates court in accordance with Section 444 of the Education Act 1996.

Kind Regards

Katrina Muir

**Privacy Notice:** Lime Trust takes the privacy of pupils/parents data very seriously, therefore we would just like to remind parents that you can view/read our privacy notices on the [Trust](#) website.

## Learning @ BFH – Sports Day

All the learners at Brookfield House thoroughly enjoyed participating in Sports Day on Friday.

Learners had the opportunity to engage in throwing and catching games, an assault course, balancing and parachute games, a story massage and some much needed water play! All the staff were so proud of the learners for their engagement and ability to cope with transitioning to different activities across the school.

A big well done to Ruth for organising the event, to all the staff and parents for making the day fun and engaging for their learners and most importantly to the learners for their participation and achievement throughout the day!

## Learning @ WM – Watson Class

### Road Safety

Our class has been going out weekly to practice road safety. We tried different types of roads and crossings to better learn how to cross the road. We did really well checking both ways, and waiting for the Green Man after pressing the button.

### Measuring skills

We have been working hard in our maths lessons to work on measuring using a ruler. We tried to measure a range of items to test out skills, we measured a cushion, a shadow and string, along with other items as well.

### Dreamcatchers

Our class has also been going on an educational visit to the Wetlands, where we helped tend to sensory garden one week, did bird watching and seeing all the different nature in the Wetlands.

### City and Countryside

In our understanding the world lessons, we looked at the differences between the city and the countryside. We sorted vehicles, animals and places, between which one we are more likely to see them in. Along with showing that we live in a city.
