

Message from the Headteacher:

Hi All,

Welcome back!

It has been a great start to the academic year, with learners transitioning to their new classes and new routines. We are all aware that transport collapsed over the summer holiday, and we have worked tirelessly with the Local Authority to ensure all learners have appropriate transport. For those who still do not have transport, we will continue to work with the LA to put this in place.

We are looking forward to seeing you all at our "meet the teacher" session on Wednesday 28th September 2022. This is an opportunity to look at the curriculum for your young person and what will be delivered during this academic year.

Have a nice weekend,

Ben Hawes

Parental Engagement

Please find relevant dates for the diary - noted in the email below.

School Calendar

| | |
|------------------------|-----------------------------------|
| 19 September | Bank Holiday (School closed) |
| 20 September | Students Return to School |
| 28 September | Meet the Teachers (3.30 pm - 5pm) |
| 21 October | Last Day before Half Term |
| 24 – 28 October | Half Term (School closed) |

Parental Engagementcontd

Our 'Meet the Teachers' afternoon has been rescheduled to respect the national period of mourning observed by some members in our school community.

Please note the rescheduled date advised below -

New Date: Wednesday, 28th September 2022

Time: 3.30 pm - 5pm

Please use Arbor to book 'Guardian Consultations' - this allows 10 minutes of face-to-face parent/teacher time.

If you need support with this, do not hesitate to contact our reception team members (after 9.45 am), who will then book or rearrange appointments on your behalf.

Edith Windsor-Stokes

Lead Practitioner

Arbor - Update

We are currently experiencing problems in accepting Card payments. Arbor are working on this, and we will let you know once it is up and running. Sorry for any inconvenience caused.

Learning @ BFH – Orange Class

In Orange class's Art lesson, our learners have been immersed in the story of The Dot by Peter H. Reynolds. This is a lovely story about a girl who is

encouraged by her teacher to take a risk. She does not believe she can draw, filled with self-doubt, until her teacher gently persuades her to, "just make a mark and see where it takes you." We have been

exploring using different tools, colour mixing, and exploration of the Dot as a circle shape in Maths. The learners have created their own Dot masterpiece in the celebration of International Dot Day on the 15th September 2022.

Learning @ WM – Charles Class

Welcome to a new academic year at Lime Academy Hornbeam!

In Charles class, we have settled back into the school routine very well after the long summer holidays. All learners were excited to be back at school and see their friends.

We have been watching the news and have been talking about the sad passing of the queen and learning new things about her. Also within that topic, we have also been learning about the new King, Charles III.

New Farm

We have walked around our new farm at the back of the school and cannot wait for it to be ready, so we can start to look after animals and practice our agriculture skills.
