

Message from the Headteacher:

Hi All,

It has been a very busy half term at Lime Academy Hornbeam.

It was great to be part of mental health awareness week where our learners developed their knowledge of the impact that mental health can have on our young people.

We have also been celebrating black history month with various exciting activities that are both meaningful and insightful. Furthermore, we had our school council nominations and presentations from learners this week where learners practiced persuasive writing, public speaking and voting.

I hope you all enjoy the half term break. Our learners deserve a break after all their hard work and commitment to the school.

Have a nice half term and a restful break!

Ben Hawes

School Start & Finish Times

12 lates in 6 consecutive weeks and taking your children out of school during term time parent/carers will receive a Fixed Penalty Notice issued by the Local Authority.

All children are to be collected at 3pm unless they have a medical appointment and evidence has been submitted prior to appointment.

Kind Regards

Katrina Muir

Education Welfare Officer/Family Support

Learning @ BFH – Pink Class

Last week Monday, learners at Brookfield House took part in World Mental Health Day. To highlight the special day, learners attended assembly and took part in a number of wellbeing activities including arts and crafts, sensory play, reading, massage and more. We even made a giant globe to highlight the theme

"Make mental health and wellbeing for all a global priority". We had so much fun!"

Pink Class have been exploring the thematic topic The Natural World. In Geography, we have been learning all about different habitats through virtual reality

experiences. We have travelled through mountains, jungles, polar regions, oceans and deserts. We even came face to face with some amazing animals including polar bears, whales, lions and elephants!"

Learning @ WM – Eilish Class

Last week Monday LAH celebrated World mental health day. In line with young minds charity #helloyellow incentive, staff and students were asked to come in wearing something yellow. As you can see from some of the wonderful pictures, everyone got involved which made this day extra special!

As well as this, classes spent time opening up conversations that raise awareness of young people's mental health and the importance of speaking out

when you think you need support. We also raised £50 which will be donated to the young mind charity. A big thank you to everyone that got involve

Careers and Progression Event

We delighted to share some important information about the work being done to support your young person. We have scheduled a special event that will allow parents/carers to come in and discuss progression planning or seek supportive advice from relevant professionals.

Event: Careers, Progression and Advice Event

Location: William Morris Campus - (No Parking available on site due to the number of organisations attending)

Date: Friday, 2nd December 2022

Time: 9.45 am - 1.pm

We have confirmation from colleges, training providers, Waltham Forest SEND Officers, Adult Social Care, Practitioners from our in-house Speech and Language Team, SENDIASS Team members, MET Police, Local Employers, Banking Representatives and Day Centres. Attendance is highly recommended!

As a school community, we are focused on how our everyday encounters support learners' decisions about the future. For us, the progression story matters and requires a joint approach, at every stage in the journey.

These actions are at the core of what we do and a statutory requirement for all Secondary/Post-16 learners in the United Kingdom. Statutory guidance is issued by law.

For Year 11, 12, 13 and Year 14 parents considering alternative provisions, care packaging or colleges - We would highly recommend attending our event (noted above) and reading our new Careers and Progression Newsletter

<https://sway.office.com/cOvWvDANIV1eOgxA?ref=Link>

Our Progression Advisor, Sam McCarthy, has created this newsletter to outline important Open Day Events for all the colleges in North East London.
