

Message from the Head teacher:

Dear Parents and Carers

Happy New Year!

I hope you all had a good break and enjoyed spending time with family and friends.

Many thanks for your support during the autumn term and as we move into the spring term, we look forward to working with you in 2024.

As advertised on the newsletter, there is a Careers Fair which will be held at William Morris campus. The event is open to parents across LAH and is a great opportunity to gain a wealth of information when considering the next steps for our learners. Please do take the time to attend. Last year's event was very successful and well attended. Parents and carers found the Fair very informative.

Learning @ WM – Reeve Class

Reeve class are happy to be back at school and are getting back into the routine of doing lots of differentiated Maths work. Students have worked hard recapping skills from last term on one more and one less, this will hopefully help them with this term's topic for maths which is Money and Time.

Recycling @ BH Site

'Make a Mess' is the theme for Brookfield House this term. We'd be grateful for any clean recycling you might have for junk modelling. We also need rolls of tape, especially masking tape. Please make sure that the items you send in are clean, with no residue or crumbs in the bottom.

Thank you!

Learning @ BH – Maroon Class

Last week of term was a very busy week in Maroon Class! We made some amazing baubles for our Winter Fayre and we sold every item from our table!

Thank you to all the students, parents and staff that contributed to our special day. It was lovely to see the independence of each child growing with each Enterprise project.

We used the communicate aided coreboards to choose between glitter and confetti. We all chose glitter to put inside each bauble carefully.

We hope you all had a very Merry Christmas and wish you all a happy new year!
