

Message from the Head teacher:

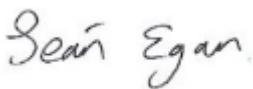

Dear Parent/Carers

OFSTED Report

I am delighted to share Hornbeam's latest OFSTED report with you. Please do contact school if you have not received the report via email.

The inspection report reflects the hard work and dedication of our entire school community, including our talented teaching staff, supportive parents, and our wonderful learners. As outlined in the report, we have high expectations, and we will continue to provide our pupils with the best possible education to ensure greater outcomes.

If you would like to discuss further, please contact me at the school.

Sean Egan
Head Teacher

- (BH) Blue – 92.2%
- (BH) Gold – 92.2%
- (WM) Goldberg – 90.6%
- (BH) Coral – 90.6%
- (WM) Reeve – 90.4%

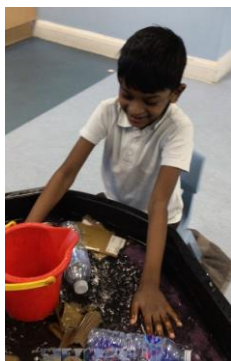

Recycling @ BH Site

'Make a Mess' is the theme for Brookfield House this term. We'd be grateful for any clean recycling you might have for junk modelling. We also need rolls of tape, especially masking tape. Please make sure that the items you send in are clean, with no residue or crumbs in the bottom.

Thank you!

Learning @ BH – Yellow Class

Yellow Class have been learning about recycling, exploring different materials, and looking after our environment through activities such as water pollution in the sensory tuff tray, sensory stories and sorting different materials.

Learners explored the different materials and made a creature for the ocean using recycled paper and different tools such as sponges and brushes to create a class display.

Learning @ BH – Bronze Class

Our topic this term is to focus on the concept of recycling, different materials and how you can be a recycling superhero. The learners had the opportunity to experience different materials and how to make new useful items.

Bronze Class learned a lot about recycling. In My Thinking, we explored the story 'Don't Throw That Away.' We practised sorting materials in to the correct bin and learned that we are not allowed to throw recyclables on the floor. Learners enjoyed making flowers in vases from different recyclables in My Creativity. They chose different materials using core vocabulary, which helped them communicate effectively.
