

Message from the Head teacher:

Dear Parents/Carers,

As we gear up for the exciting summer ahead, with the longer days and warmer weather upon us, we are thrilled to offer a variety of engaging outdoor activities for your children to enjoy.

Outdoor play and exploration are essential components of our school day, providing numerous benefits for physical health, social development and overall wellbeing. From games and sports to nature walks and creative arts, our outdoor activities are designed to foster creativity, collaboration, and love for great outdoors.

In order to ensure that your child stays safe and comfortable during their time outside, we kindly request that you provide the following items:

Sunscreen- please apply sunscreen to your child before they arrive at school each day. Additionally, we recommend sending along a labelled bottle of sunscreen for reapplication throughout the day. Sun protection is vital to prevent sunburn and minimize the risk of long-term skin damage,

A hat – to shield your child’s face and head from the sun’s rays. Encouraging your child to wear a hat will help keep them cool and protected while they participate in outdoor activities.

By partnering with us to prioritize sun safety, we can ensure that your child has a fun and enjoyable experience throughout the summer months.

We are committed to providing a safe and inclusive environment where every child can thrive. If your child has any specific needs or requirements, please don’t hesitate to reach out to us. We are here to support you and your family every step of the way.

We look forward to creating lasting memories together!

Warm regards,

Aneta Maculewicz

Assistant Headteacher (WM)

Coffee Morning @ BH

You are invited!

We will be having regular coffee mornings/afternoons at Brookfield House.

This will be a chance to get to know other parents and some of the staff at Brookfield House.

We will be inviting speakers from outside agencies to have a chat as well.

23 May, Thursday morning: 9-10 am: Carol from the Waltham Forest Parents' Forum will be joining us.

27 June Thursday morning: 9-10 am

Please do get in touch if you have anyone in mind you would like to hear from at a coffee morning.

Please confirm your attendance by email.

Thank you

Learning @ BH - Purple Pink and Green Class

As part of our theme this term Purple class have gone full into spring, organising and sorting the school planters. We collaborated with Pink Class and Green Class to do all the weeding and fill up the planters with fresh soil and plant lots of seeds. We will be taking care of our plants and watching what grows. Hopefully some healthy veg.

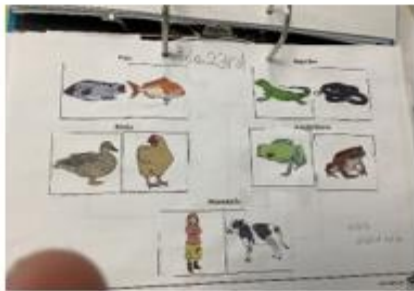

As part of our outside learning, we have been exploring the sounds, sights and smells of nature. This multisensory exploration has been a big hit with the Learners. Many were able to use switches to tell their friends what they could hear or see.

Charles Class Newsletter

Charles class have been learning about Mammals, birds, fish, reptiles and amphibians during Science this term.

Learners have completed a sorting activity and have made a paper snake in their lessons.

The learners are really enjoying this and are engaging well in this Summer topic.
