

## Message from the Head teacher:

As we approach the end of the summer term, we are thrilled to share the exciting events we have lined up for Lime Academy Hornbeam. We've got a fantastic range of activities to look forward to, including our much-anticipated talent show where our students can showcase their unique skills – we're expecting singing, dancing and magic tricks!

Planning is underway for our leavers' assembly, where we celebrate our wonderful learners how are moving on from Hornbeam, an action-packed sports day, a glamorous prom, and our fun-filled summer fair. It's going to be a busy and joyful time, and we can't wait to celebrate many of these special moments with our students and their families. Thank you for your continued support, and we look forward to seeing you at the Summer Fair!

George Lambrou  
Deputy Head Teacher

## Eid Mubarak

Eid Mubarak to all our families celebrating this weekend.

Please remember to call school Monday morning if your learner is not attending school.

## Learning @ BH – Rose Class

It has been a busy start to the half term in Rose Class. In phonics, we have explored the 'b'. Learners are working hard to decode words with 'b' and recognise it as an initial sound in words. Learners worked hard to follow visual instructions to create 'b for butterfly' artwork.

As the weather has been nice, we have been able to take our learning outside and explore capacity through water play. The learners have been exploring the concept of full and empty as well as filling containers to specific measurements such as 200 ml.

Rose Class have also been lucky enough to visit Foxburrow's Farm. They worked hard to complete an animal scavenger hunt and remember what sounds different animals make. They also enjoyed the farm's immersive experience and liked being able to use the smell table to smell different things in the forest.

---

## Learning @ WM- Reeve Class

This week Reeve class started completing "Sustainable Trees" in their art lesson. After painting the background, they used recycled/reused materials to create the leaves. It was an enjoyable lesson for the class, encouraging them to be create a lovely piece of art while developing good habits of recycling and reusing items to reduce waste.

---

## Learning @ WM- Mandela and Grandin Classes

Mandela and Grandin class went to a Careers Fair this week. There were many representatives from various post-secondary organisations available to speak to our students about the courses they offer. It was a great opportunity for our learners to explore possible future destinations they could attend. This will enable them to make the best choice for themselves when choosing their post-secondary destinations.

## Coffee Morning @ BH

You are invited!

This will be a chance to get to know other parents and some of the staff at Brookfield House.

We will be inviting speakers from outside agencies to have a chat as well.

**27 June** Thursday morning: 9-10 am

Please do get in touch if you have anyone in mind you would like to hear from at a coffee morning.

Please confirm your attendance by email.

Thank you.

---

## Polite reminder

This is just a polite reminder that we are a nut and sesame seed free school. Although, sesame seeds are classified as seeds and not nuts, the proteins in sesame seeds may resemble proteins in certain nuts and may trigger an allergic reaction in children who have a nut allergy. Please be mindful of what food you send into our school.

Thank you.

## 'Some Kind of Hack Space'

**A space for autonomous creative exploration with technology**

**For neurodiverse young people age 14-25**

### What is 'Some Kind of Hack Space'?

Some Kind of Hack Space is a project space for neurodiverse young people to experiment, test out creative ideas, and meet up.

A relaxed supportive environment in which neurodiverse young people can explore their own creative ideas supported by regular staff and visiting creative practitioners with expertise in neurodivergent conditions and youth work.

Visiting artists, designers and scientists will bring a variety of creative workshops and activities to each session.

You can bring your own projects to get on with. You might for example want to code, edit film, animate, draw, knit, write music...just let us know what you're thinking of doing in the sign-up form. You will have access to some equipment, computers and drawing materials.

Artists and technicians are available to assist you with your projects if you need them. They have lots of skills they can share with you including coding and electronics, making music, animation, filmmaking, using a camera, fabric construction and mathematical origami!

## Lime Academy Hornbeam Summer Fair — Saturday 13<sup>th</sup> July 2024

We're busy planning a **fantastic summer fair** and we're looking for volunteers to help out on the day.

We're also seeking anyone with a special talent that might be useful for activities at the fair:

- Face painting / henna tattooing
- Baking / cooking
- Sports / football coaching
- Anything else that might be useful

All money raised on the day will be used to **improve the school** for all our young learners. To get involved please contact us via email at: [williammorrispta@gmail.com](mailto:williammorrispta@gmail.com)
