

Message from the Head teacher:

Dear Parents and Carers,

As we welcome the lovely summery weather, we are excited to share a few events planned for this term.

First, we warmly invite you to join us for a Coffee Morning on 27th June 2024 on both sites. These events provide a wonderful opportunity to share information, exchange views, and offer feedback on the operation of our school. Your presence and input are highly valued.

Additionally, mark your calendars for the LAH Summer Fair, which will take place at William Morris on July 13th 2024. This event promises to be a delightful day for students, their families, and friends. We have organized a variety of fabulous activities, and everyone is invited to come and enjoy the fun, creating wonderful memories with loved ones.

Furthermore, our students will have the opportunity to participate in Sports Day on 17th July at William Morris and 12th July at Brookfield House. These events are tailored to showcase the skills and abilities of all our students. It's a fantastic occasion for our students to engage in various sports activities and demonstrate their talents.

We look forward to your participation in these events and hope to see you there!

Warm regards,

Aneta Maculewicz

Assistant Headteacher

Learning @ BH – Navy Class

Navy class is continuing to work on their digital art skills and mix them in with the more physical art processes they are familiar with. The learners were able to take pictures of each other on our classroom iPad and then use those pictures to create scenes at the beach.

I printed and cut out the pictures for them and then they created the scenes in various ways to explore the things they might enjoy doing at the beach like surfing and jumping into the water.

Learning @ WM- Doyne Class

Over the past couple of weeks, we have been learning all about Superheroes! One of our core texts was Supertato. We all really loved the book, but we didn't love our special visitor! Evil Pea came to terrorise Doyne Class by freezing all of our lovely fruit and vegetables. We had to work together to make sure that all of our amazing fruit and vegetables were saved and cared for.

We used a range of different warming techniques, such as salt and friction as well as trying to smash the ice to break the fruit and vegetables free. We really enjoyed being Superheroes and we hope we scared Evil Pea for life!

Coffee Morning @ BH and WM

You are invited!

This will be a chance to get to know other parents and some of the staff at both BH & WM.

We will be inviting speakers from outside agencies to have a chat as well.

Thursday 27th June:

9-10 am @ BH

9.30 – 10.30 @ WM

Please do get in touch if you have anyone in mind you would like to hear from at a coffee morning.

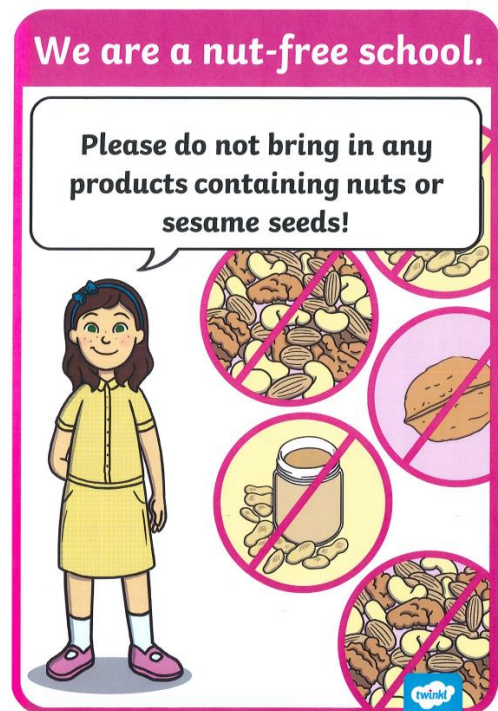

Please confirm your attendance by email.

Thank you.

Polite reminder

This is just a polite reminder that we are a nut and sesame seed free school. Although, sesame seeds are classified as seeds and not nuts, the proteins in sesame seeds may resemble proteins in certain nuts and may trigger an allergic reaction in children who have a nut allergy. Please be mindful of what food you send into our school.

Thank you.

'Some Kind of Hack Space'

A space for autonomous creative exploration with technology

For neurodiverse young people age 14-25

What is 'Some Kind of Hack Space'?

Some Kind of Hack Space is a project space for neurodiverse young people to experiment, test out creative ideas, and meet up.

A relaxed supportive environment in which neurodiverse young people can explore their own creative ideas supported by regular staff and visiting creative practitioners with expertise in neurodivergent conditions and youth work.

Visiting artists, designers and scientists will bring a variety of creative workshops and activities to each session.

You can bring your own projects to get on with. You might for example want to code, edit film, animate, draw, knit, write music...just let us know what you're thinking of doing in the sign-up form. You will have access to some equipment, computers and drawing materials.

Artists and technicians are available to assist you with your projects if you need them. They have lots of skills they can share with you including coding and electronics, making music, animation, filmmaking, using a camera, fabric construction and mathematical origami! **Please follow link below for more information.**
