

Message from the Head teacher:

Dear Parents and Carers,

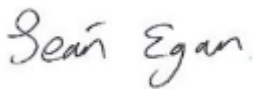

I was delighted to see so many parents and carers at the parents' evening on Tuesday. It is great to see so many of you in person to celebrate the pupils' achievements.

On Wednesday we had our transition day, all pupils had the opportunity to spend time with their new teachers and friends in preparation for September. It was great to see so many new faces who will be joining Lime Academy Hornbeam in September.

I would like to invite all families to Hornbeam Summer Fair which is being held at William Morris Site on Saturday 13th of July between 10am and 2pm.

I am looking forward to seeing as many parent/carers as possible

See you on the 13th

Sean Egan
Headteacher

Learning @ BH – Ruby Class

This week in Ruby we have been exploring more textures and tastes in our Food Technology sessions. We have enjoyed following instructions to complete the recipes and mixing all the ingredients together.

We have also been focusing on relaxation and taking care of ourselves. This week we enjoyed some sensory massage as well as exploring the foot spas with different scented bubbles.

Learning @ WM- Fotheringham Class

We were excited that Sara and Lisa from Simians came to Hornbeam last week for an engaging session on Personal Protective Equipment (PPE). Through interactive presentations and practical activities, the students delved into the crucial role of PPE in various jobs such as construction, plumbers, builders, brick layers and much more. The session emphasised the importance of understanding the different types of PPE, their proper usage, and the consequences of not adhering to safety protocols.

The students were particularly impressed by the hands-on demonstrations, where they had the opportunity to try on various types of PPE and experience firsthand how it can protect them from potential hazards. The session not only enhanced their understanding of safety measures but also sparked their interest in the field of health and safety. We are grateful to Sara and Lisa for sharing their expertise and inspiring our students to prioritise safety in both their personal and professional lives.

Polite reminder

This is just a polite reminder that we are a nut and sesame seed free school. Although, sesame seeds are classified as seeds and not nuts, the proteins in sesame seeds may resemble proteins in certain nuts and may trigger an allergic reaction in children who have a nut allergy. Please be mindful of what food you send into our school.

Thank you.

'Some Kind of Hack Space'

A space for autonomous creative exploration with technology

For neurodiverse young people age 14-25

What is 'Some Kind of Hack Space'?

Some Kind of Hack Space is a project space for neurodiverse young people to experiment, test out creative ideas, and meet up.

A relaxed supportive environment in which neurodiverse young people can explore their own creative ideas supported by regular staff and visiting creative practitioners with expertise in neurodivergent conditions and youth work.

Visiting artists, designers and scientists will bring a variety of creative workshops and activities to each session.

You can bring your own projects to get on with. You might for example want to code, edit film, animate, draw, knit, write music...just let us know what you're thinking of doing in the sign-up form. You will have access to some equipment, computers and drawing materials.

Artists and technicians are available to assist you with your projects if you need them. They have lots of skills they can share with you including coding and electronics, making music, animation, filmmaking, using a camera, fabric construction and mathematical origami! **Please follow link below for more information.**
