

## Message from the Head teacher:

Dear Parents and Carers,

Although the weather hardly feels like summer at the moment, all of Lime Academy Hornbeam's end of year events are taking place as we head to the final few days of the term.

On Friday 5th July the pupils leaving William Morris site took part in a prom. This was well attended and enjoyed by many pupils. A big thank you to all the staff who worked behind the scenes to make the event a success.

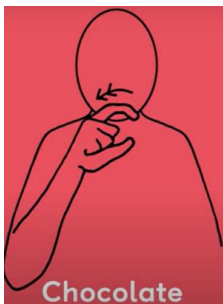

On Friday 12th July, the pupils at Brookfield House will be taking part in their sports day. I know many parents will be joining on the day. Please do make sure you have let school know if you are planning to attend. I thought I would be writing to ask to make sure sun cream and hats are provided but it may be that we need wellies and umbrellas instead! Either way it will be a fun morning for the pupils and staff.

A reminder that Hornbeam summer fair is taking place this Saturday, 13th July between 10am and 2pm. The fair is at William Morris site. There will be lots of fun activities and stalls. Please do come along and support the event. Everyone is welcome.

Joanne Sweeney

Deputy Headteacher

(WM) Mandela – 91.8%

(BH) Maroon – 91.7%

(WM) Goldberg – 91.4%

(WM) Adenitan – 91.0%

(BH) Ruby – 90.3%

## Sports Day – 12<sup>th</sup> July @ BH/17<sup>th</sup> July @ WM.

**Privacy Notice:** Lime Trust takes the privacy of pupils/parents data very seriously, therefore we would just like to remind parents that you can view/read our privacy notices on the [Trust](#) website.

## Learning @ BH – Coral Class

Throughout the term Coral class has been learning how to actively respond to Voice Output Communication Aids (VOCA devices), particularly when it comes to the encouragement of participation in group activities and promotion of communication. We have been establishing the use of these devices to express needs, wants and initiate conversations. All the learners in Coral class have been expressing their excitement during these interactions.

They have been discovering how to use the VOCA devices or switches with less support and have been indicating their growing independence in this aspect. Supporting our total communication environment throughout the timetable these interventions proved to be successful.

## Summer Fair 13<sup>th</sup> July 24 @ WM

## WM - Leavers Prom

William Morris Campus celebrated their leavers prom with the theme, masquerade ball. This year we had a total of 14 leavers all heading to further education! It was a great affair, full of laughter, dancing and friends!

William Morris Prom king and queen were; Resham and George! **Congratulations.**

## Polite reminder

This is just a polite reminder that we are a nut and sesame seed free school. Although, sesame seeds are classified as seeds and not nuts, the proteins in sesame seeds may resemble proteins in certain nuts and may trigger an allergic reaction in children who have a nut allergy. Please be mindful of what food you send into our school.

Thank you.

## 'Some Kind of Hack Space'

**A space for autonomous creative exploration with technology**

**For neurodiverse young people age 14-25**

### What is 'Some Kind of Hack Space'?

Some Kind of Hack Space is a project space for neurodiverse young people to experiment, test out creative ideas, and meet up.

A relaxed supportive environment in which neurodiverse young people can explore their own creative ideas supported by regular staff and visiting creative practitioners with expertise in neurodivergent conditions and youth work.

Visiting artists, designers and scientists will bring a variety of creative workshops and activities to each session.

You can bring your own projects to get on with. You might for example want to code, edit film, animate, draw, knit, write music...just let us know what you're thinking of doing in the sign-up form. You will have access to some equipment, computers and drawing materials.

Artists and technicians are available to assist you with your projects if you need them. They have lots of skills they can share with you including coding and electronics, making music, animation, filmmaking, using a camera, fabric construction and mathematical origami! **Please follow link below for more information.**

[For more Information](#)

### Where is it?

- Leyton Sixth Form College, Essex Road, Leyton, London, E10 6EQ

### Other Stuff

- It's free
- Parents, carers and siblings are welcome to come along and support you, join in the activities, have a cuppa with other parents in the foyer, or drop you off for the day. Whatever suits you.
- We will have some snacks, but do bring your own food and drinks
