

Message from the Head teacher:

As we transition into autumn, we look forward to an exciting term ahead, filled with seasonal festivities and meaningful learning opportunities. This is always a busy and enjoyable time for our school community. This time of year, is always a special one, with harvest celebrations and preparations for the winter festivities bringing a sense of community and warmth to our school.

We would like to remind you all of our two-week half-term break this Autumn, from Monday 21st October to Friday 1st November 2024. To ensure that students do not miss out on learning time, the school day has been extended by 10 minutes.

Kind regards

George Lambrou

Deputy Headteacher

Makaton theme for this term will be animals – Rabbit

Learning @ BH – Red Class

Red Class have had a busy start to the year. In 'My Thinking' we have been reading the story 'We are Going on a Disney Hunt' and each week we explore a different Disney character. This week we have been looking at the 'Little Mermaid' and have experienced a range of activities such as creative writing, colourful semantics and fun sensory trays. In Me and My Creativity, we have been exploring different food textures and decorating biscuits. The learners have worked hard to make creative choices on how to design their biscuit. We have also been lucky enough to begin swimming lessons.

Learners have been working hard to listen to their swimming teacher and learn new water techniques.

Learning @ WM – Boseman Class

This term Boseman class is learning about forces. This week they have been looking at air resistance and carrying out the egg drop challenge. The class had to design parachutes in order to stop their egg from cracking when it hit the floor. Each team used different materials to create a parachute for their egg as well as planned the experiment for fair testing. There were 2 winners as they created a protective layer to ensure their egg was safe from cracking.

Well done Boseman Class!

Some Kind of Hack Space

'Some Kind of Hack Space'

A space for autonomous creative exploration with technology

For neurodiverse young people age 14-25

What is 'Some Kind of Hack Space'?

Some Kind of Hack Space is a project space for neurodiverse young people to experiment, test out creative ideas, and meet up.

A relaxed supportive environment in which neurodiverse young people can explore their own creative ideas supported by regular staff and visiting creative practitioners with expertise in neurodivergent conditions and youth work.

Visiting artists, designers and scientists will bring a variety of creative workshops and activities to each session.

You can bring your own projects to get on with. You might for example want to code, edit film, animate, draw, knit, write music...just let us know what you're thinking of doing in the sign-up form. You will have access to some equipment, computers and drawing materials.

Artists and technicians are available to assist you with your projects if you need them. They have lots of skills they can share with you including coding and electronics, making music, animation, filmmaking, using a camera, fabric construction and mathematical origami! **Please follow link below for more information**

Coffee Mornings

17th October 9.30 – 10.30 @ BH School

14th November 9.30 – 10.30 @ BH School

12th December 9.30 – 10.30 @ BH School

Dates for WM to be confirmed.

Sensory Explorers at Walthamstow Wetlands

Walthamstow Wetlands are running a new session one Sunday a month, Sensory Explorers, which involves using our senses to connect with nature.

Sessions are for families with children with additional needs and/or a disability. Full details including booking links and dates can be found using the link.

Polite reminder

This is just a polite reminder that we are a nut and sesame seed free school. Although, sesame seeds are classified as seeds and not nuts, the proteins in sesame seeds may resemble proteins in certain nuts and may trigger an allergic reaction in children who have a nut allergy. Please be mindful of what food you send into our school.

Thank you.

THE ROOTS

Empowering young minds

Up to 10% of children experience anxiety or distress about going to school.

Our workshop aims to support you to help your child re-engage with school.

What the workshop covers:

- Why children may struggle to attend school
- Strategies for overcoming anxiety about school
- Self-care and connecting with school
- Action planning to help take steps forward.

Who are we?

The Roots was established in partnership with Waltham Forest Council in 2024. We are a team of specialist clinicians who support young people and their families with common wellbeing and mental health challenges.

Visit our website or email us directly to find out more about The Roots service and our support for families & young people:
