

Message from the Head teacher:

Dear Parents/Carers,

Welcome back after the break.

It was great to see so many of you attending the recent coffee mornings.

We will continue to work on communication to ensure you have a clear understanding of the learning taking place in school.

Please can you put the following dates in your diary

Dec 3rd Parents evening

December 13th Christmas fair

Please keep an eye out for other events which will be happening this half term.

Unfortunately, from Jan 25 we will need to charge families for the breakfast provision at William Morris. This is something as a school we have provided and paid for at an additional cost for a number of years.

More information will follow

Sean Egan

Learning @ BH – Coral Class

Coral class has been busy learning about Autumn, leaves, pumpkins and the colour orange. We have been mixing paint, using different mark making tools, exploring textures and handling a variety of materials to make art! All the learners have been promoting their communication and fine motor skills throughout the creative arts sessions of the term.

The interactions with the class team and their peers, have also supported their relationship building and the celebration of everyone's work!

PTA AGM meeting 20th November 24

The PTA at BH will be holding a meeting on Wednesday 20th November at 9am, please come along and join them.

Privacy Notice: Lime Trust takes the privacy of pupils/parents data very seriously, therefore we would just like to remind parents that you can view/read our privacy notices on the [Trust](#) website.

Learning at WM – Goldberg Class

Goldberg class took part in an extremely creative food tech lesson where they baked and designed their own cupcakes.

They measured out ingredients as well as used different techniques such as mixing and spooning and made some very tasty little cakes!

CIN Pyjama Day 15th November 24

To raise money for this worthy cause, we will be wearing our Pyjamas, Onesies or anything Spotty to school on the 15th November in return for a £1 donation. All monies raised will be going towards this charity.

Some Kind of Hack Space

'Some Kind of Hack Space'

A space for autonomous creative exploration with technology

For neurodiverse young people age 14-25

What is 'Some Kind of Hack Space'?

Some Kind of Hack Space is a project space for neurodiverse young people to experiment, test out creative ideas, and meet up.

A relaxed supportive environment in which neurodiverse young people can explore their own creative ideas supported by regular staff and visiting creative practitioners with expertise in neurodivergent conditions and youth work.

Visiting artists, designers and scientists will bring a variety of creative workshops and activities to each session.

You can bring your own projects to get on with. You might for example want to code, edit film, animate, draw, knit, write music...just let us know what you're thinking of doing in the sign-up form. You will have access to some equipment, computers and drawing materials.

Artists and technicians are available to assist you with your projects if you need them. They have lots of skills they can share with you including coding and electronics, making music, animation, filmmaking, using a camera, fabric construction and mathematical origami! **Please follow link below for more information**

7 REASONS TO JOIN OUR PTA

Friends
of
William
Morris

1. Your child benefits

The PTA is an important part of the school and helps to enrich your child's school experience. Our fundraising will provide extras for the school such as additional playground equipment.

2. To make a difference

As well as fundraising, the PTA will organise events which add so much to our children's school experience. In the future the PTA plans to organise Discos, Film Nights, Summer Fairs, Winter Fairs and other fun events. This creates a real sense of community and benefits the children.

3. We have fun

Being part of the PTA is a fun and rewarding experience and we host fantastic events where parents can get together and make new connections. Our Summer Fair was a fantastic social event and raised valuable funds for our school.

4. Make Friends

Many friendships develop from being part of the PTA. Volunteering your time and working towards a common goal is a rewarding experience and many long-lasting friendships are formed while being part of a PTA team.

5. Feel involved

Every parent/carer is welcome to our meetings and we love to see new members. Please consider coming along to our PTA meetings or volunteer a few hours of your time at an event. It's a great way to get involved and feel part of the school family.

6. Create real memories

Our children are only at school for a few years, but they will remember the difference we make for a lifetime. They will cherish the activities and games we fund, learn using resources we buy and remember the events we hold.

7. Give a helping hand

We realise that every parent/carer is busy so we welcome job-sharing roles. Many hands make light work so if more people come forward we can share the work making it fun for everyone.

Sound good?

To get involved simply email williammorrispta@gmail.com
